

IF YOU WORK IN THE BUILDING INDUSTRY IN NEW ZEALAND
YOU NEED TO KNOW THE RULES

IT IS THAT SIMPLE.
WE TEACH THOSE RULES.

DIY In-House Training Package

Customised training solutions that you can DIY with your team.

- Building and compliance topics
- Two-hour training sessions
- Off the Shelf, mix and match
- Blending learning solutions, online and live in person

We provide you with training resources which you can teach from, accessible from our resource rich, established online school platform.

Our platform is user friendly, can be accessed from anywhere on smart phone, tablet or PC. Learning reports on learners can be provided on request to enable managers to track learning.

The package includes:

- Videos in the form of narrated PowerPoints
- Facilitator Guide – timings, activities and instructions for the session
- Handouts or cheat sheets
- Quiz or assessment
- Resource list (for electronic docs to download)

Each module is \$995 plus GST.

To get started with this package or to ask further questions please email us directly on training@buildingnetworks.co.nz
